FOR IMMEDIATE RELEASE

PRESS STATEMENT ON THE TWO DEFAMATION SUITS COMMENCED BY OSAHEN ALEXANDER AFENYO-MARKIN AGAINST ERIC ADJEI AND SAMMY GYAMFI

Following the discontinuance of the suit of Osahen Alexander Afenyo-Markin against Mr. Eric Adjei, Chief Executive of the National Entrepreneurship and Innovation Programme (NEIP) at the Achimota Circuit Court this morning, a fresh writ, **Suit No. GJ/0061/2027** has been filed at the Accra High Court this afternoon on the substantive matter of defamatory statements made by Mr. Adjei on Peace FM.

Again, on the firm instructions of Osahen Afenyo-Markin, another writ, **Suit No. GJ/0045/2027,** was filed on Thursday, October 15, 2026 at the Accra High Court against Mr. Sammy Gyamfi, Chief Executive of the Ghana Gold Board (GoldBod), regarding defamatory statements made by Mr. Gyamfi during the Government Accountability Series and on JOY FM's *Newsfile* programme.

Although we disagree with the High Court's earlier decision setting aside our client's previous writ, this new writ has been issued against the Defendants in accordance with the Court's latest Interpretation of the rules.
